New Members and Book Sales update

Written by Administrator Tuesday, 02 December 2008 19:29 - Last Updated Tuesday, 02 December 2008 19:40

It's great to see a number of new members joining the site over the past few days.

We never believed that we would gain a MILLION members overnight but gradually build up a membership and community.

The next few weeks should hopefully see some new photographs and information about former Mars Boys.

Gordon was in the local Borders shop and reports great sales of the book. Hopefully it will be a bumper month for sales.
